5. The Scheme provides for the amalgamation of the Transferor Company into the Transferee Company and will result into the following benefits:

(a) **Empowering Digital Transformation:**

The Transferor Company is engaged in assurance and digital engineering services globally. The Amalgamation will create synergies, offering strategic advantage in AI-led assurance and IT solutions. It will strengthen presence across industries and regions, with a strong focus on the US market, and establish

the Transferee Company as a preferred partner for digital transformation.

(b) **Accelerate Growth:**

The Amalgamation, along with prior acquisitions, will create three scaled-up verticals – Retail, Technology, and Healthcare. It will help the Transferee Company expand across South-West, Mid-West, and Western US markets and capture opportunities from AI-driven specialized assurance services. This will accelerate growth, expansion, and development of the combined businesses.

(c) **Efficiency in Customer Approach:**

The Transferee Company will have a broader service portfolio, catering to customers across India and overseas. It will also enable delivery of new solutions and enhanced marketing capabilities.

(d) **Operational Integration:**

Pooling of resources, best practices, and cross-functional learnings will reduce costs and foster systemic efficiency. The combined entity will achieve seamless access to assets and synergized operations.

(e) **Simplified Structure & Efficiency:**

The Amalgamation will streamline the corporate structure, reducing duplication in administration, governance, and regulatory compliances, thereby cutting costs.

(f) **Working Capital & Cash Flow Management:**

Cash flow management will improve, ensuring better utilization of balances and unfettered access to funds for growth and sustenance.

(g) **Commercial Viability:**

The Scheme is fair, viable, and in the best interest of shareholders, creditors, employees, and stakeholders, without prejudicing public interest.
