Dear Sir/Madam,

This is with reference to the CNBC article published on March 14, 2023.

In light of recent press reports that have highlighted the Company's exposure to US regional banks we wish to call out that our exposure to revenues from the US regional banking clients is very limited. We do not see current market events in any manner impacting our performance. We remain consistent with commentary provided during the last investor call around our performance outlook and continue to target robust growth.

Thanking you,

Coforge Limited
